

Creative Kids Camp (Summer 2024)

Let your child's imagination run wild at our Creative Kids Art Summer Camp, specially designed for preschoolers! Join us for a colorful adventure filled with paintbrushes, clay, and endless opportunities for self-expression.

Camp Overview:

Creative Kids Art Camp is a place where young artists can explore their creativity, develop their skills, and discover the joy of making art. Our camp provides a supportive and encouraging environment where children can unleash their imagination, discover new mediums, and create masterpieces to treasure forever.

Artistic Adventures:

Every day at Creative Kids Art Camp is an exciting artistic journey! Here's a glimpse of what campers can look forward to:

- 1. Painting Palooza:** Dive into the world of color with our painting sessions! From finger painting to watercolors, campers will experiment with different techniques and mediums to create vibrant works of art. We will be inspired by famous artists such as Henri Matisse, Claude Monet, Georges Surat, & more!
- 2. Sculpture Safari:** Get your hands dirty as we sculpt and mold clay into fantastic creations! Campers will explore three-dimensional art and strengthen fine motor skills making pinch pots.
- 3. Mixed Media Madness:** Let your imagination soar with mixed media projects that combine various materials such as paper, fabric, and found objects. Campers will create collages, assemblages, and mixed media masterpieces that showcase their unique artistic style.
- 4. Storybook Creations:** Bring stories to life through art! Campers will engage in storytelling activities and create artwork inspired by their favorite books and characters.

Creative Expression:

At Creative Kids Art Camp, there are no limits to creativity! Campers are encouraged to express themselves freely through art, allowing their imaginations to soar and their unique voices to shine.

Guidance:

We are passionate about nurturing young talent and fostering a love for art. A smaller class size allows for more one-on-one encouragement and creative guidance.

Friendship and Fun:

At Creative Kids Art Camp, friendships blossom as campers bond over shared artistic experiences and creative discoveries. We will learn to look at all art as special and unique!
